

The Passionist Missionaries

Mission

“Our mission aims at evangelizing others by means of the Word of the Cross.”

Passionists promote the memory of the passion of Jesus by word and deed striving to foster awareness of Christ Passion, its meaning and value for each person and for the life of the world, Cont. # 6. Passionists preach in various ministries among the poor, and the marginalized who are the true reflection of the Crucified Christ of the time.

To talk about Passionists is to get the feel of life in community. Fraternal life in Passionists Communities means that everything is held in common. Passionists are active contemplatives who, in a creative way, unite contemplation and an active pastoral life. Passionists mission is rooted in communal prayer life and gets its expression in the ministry to the people of God especially to the poor and suffering.

The Passionist Missionaries goal is to promote the memory of the Passion of Jesus Christ by witnessing and preaching to the sufferings of our time. Through their projects in Kenya, they are able to evangelize and promote integral human development. Their projects involve programs and activities for alleviating poverty and foster social justice and economic empowerment of the communities they serve. They have 40 seminarians, they run two orphanages with 70 orphans, and they support poor widows in their missions. They organize and preach retreats for both religious and lay Faithful. Your generous support continues their mission affecting a positive change in people's daily lives and the hope for a better tomorrow.
